- Fold Early Espresso card base along the score lines and burnish with Bone Folder ~ ensure right-hand 'flap' allows the card to stand up!
- Using Early Espresso Ink stamp the 'Thank you so Much' image onto the 3 x 3 Whisper White card .
- Using adhesive of your choice attach this to the 3 1/8 x 3 1/8 So Saffron Card layer then in turn to the 3 1/4 x 3 1/4 Early Espresso card.
- Scatter 3 – 4 metallic pearls and attach bow with glue dot, set aside.
- Adhere to the 2 triangles of Designer Series Paper with glue of your choice, to the Early Espresso card base.
- Using 2 – 3 stampin dimensionals attach the 'Thank you so much' layers to the top triangle of the base card – taking care they do not show when the card is opened.
- Using adhesive of your choice attach the 5 1/4 x 4 So Saffron card to the inside of card base.
